City Strings United (CSU), established in 2012 in Roxbury, MA, is a non-profit youth development organization providing free cello lessons to students from urban Boston. Serving youths from 4 to 17 years of age, CSU was founded on the belief that access to high quality ensemble-based music programs in underserved communities fosters the social, emotional, and educational development of its students. CSU teaches the whole child emphasizing respect, teamwork and responsibility as well as the joy of making music together!
