

Discerning My Time, Talent and Service Pledge for Program Year 2021-2022

We are co-workers in God's service and each of us contributes to our common life through gifts of time, talent and service. This past year has been completely unusual as we've moved most of our regular activities online. In the coming fiscal year (July 1, 2021-June 30, 2022), we anticipate having increasing opportunities to gather in person. If you have participated in the past (pre-COVID) in one or more of the following areas, please indicate with an X. If you already participate in one or more of the following areas and plan to continue, please indicate with an O. If you'd like to learn more about a particular area, and/or are interested in getting involved, please indicate with a ✓. Marking the line next to a Ministry Team indicates an interest in supporting the planning and organization of this ministry in monthly meetings.
