Dear Church School Families,

My first couple months at United Parish have been an exciting and very enjoyable whirlwind of learning as much as I can about this church and its community as we move through summer into fall. We have an exciting year coming up, and I'm looking forward to getting to know you all even better as the weeks progress! To that end, I'm always happy to receive emails or phone calls, or to meet over coffee in Coolidge Corner!

Our church school curriculum for all Elementary School students will continue to be the Deep Blue curriculum, described as a weekly adventure through the Bible. This curriculum incorporates activities for multiple learning styles so that each student can find a way to connect to the text. Our Rite 13 curriculum will stay the same, as a rites of passage program for our bar and bat mitzvah aged youth, and our big Rite 13 dinner and special Sunday worship will happen in May (check the enclosed calendar for specific dates). We will be continuing with the Journey to Adulthood curriculum for our J2A and YAC students, as well as the "Sticky Faith" program for our confirmands.

In this packet, we have also enclosed some materials we hope will help you and your child(ren) ease into the church year:

- A letter from Susan DeSelms, our Minister of Music, regarding choir opportunities for children and youth.
- A Registration and Field Trip Permission Form for each child or youth in your household. It is imperative for reasons of safety as well as communication that you fill out a new registration form for each child or youth. (Please note: children and youth may proceed to Church School class AFTER these forms are completed and submitted.)
- An Optional Opt-Out form for anyone wishing to make sure pictures of anyone in their family do not get used in United Parish publications or publicity materials.
- A Music Ministry and Church School Calendar that you might want to hang on your refrigerator or keep in a handy spot.

- An Acolyte flyer for all children entering 5th grade and higher.
- Information on what will happen Sunday, September 10, our first day of children and youth programming for this school year.

I look forward to all that this upcoming school year has in store for us all, as we deepen our faith and our community together.

Peace,
