

Sanctuary Configuration Feedback Survey

It's been one full program-year of worshipping in our new sanctuary configuration- we want to hear your feedback!

1. Name:

2. Where in the sanctuary do you usually sit? (circle one)
 - a. In the padded chairs at the front/sides
 - b. In the main section of pews, towards the front
 - c. In the main section of pews, about halfway back
 - d. In the main section of pews, towards the back
 - e. In the pews on the side wings ('transepts') of the Sanctuary
 - f. In the prayground
 - g. In the choir loft
 - h. It varies - I don't gravitate towards any particular section
 - i. Other: _____

3. If you tend to sit in a certain section of the sanctuary, why do you prefer sitting there?

4. On a scale of 1-5, how would you rate your usual audio/hearing experience from where you sit?
 - 1 (The audio almost always interferes with my worship experience - it's nearly impossible to understand what people are saying)
 - 2
 - 3
 - 4
 - 5 (The audio almost never interferes with my worship experience - I can understand every word loud and clear!)

5. Any comments on your audio/hearing experience?
